DEBIT CARDS

When it comes to making purchases, you deserve simplicity. When you shop with your Zeal Credit Union VISA® Debit Card, the amount is deducted directly from your checking account. What’s even more convenient is your VISA® Debit Card also works as an ATM card.

With our CO-OP Network of ATMs, you’ll have access to over 30,000 surcharge-free ATMs in the U.S. and Canada (Canadian ATM withdrawals are not surcharge free). You can visit their [website](#) to find an ATM near you. Put simply, it’s easy to transfer money between your accounts, make deposits and withdraw cash at any time, day or night.

With a Zeal Credit Union VISA® Debit Card, you’re also eligible for Overdraft Privilege. Overdraft Privilege pays for items that would not normally clear your checking account because of insufficient funds.

Plus, we offer tools to protect your account. You can set up purchase alerts and card controls to lock a lost or missing card or decline online/international transactions.

DIRECT DEPOSIT

Why wait in a line to cash your paycheck? Save time and money when you sign up to have your check deposited directly into your account. Direct Deposit can be set up for your payroll, social security, pension, or retirement check. You’ll also earn dividends sooner.

You can also access your funds anytime using our 24/7 Automated Telephone Banking System, 30,000+ nationwide CO-OP Network ATM's, Debit Cards and our Online Banking System.

ULTRA SAVINGS

Increase flexibility and savings. This account earns a higher rate of interest than a Regular Savings or Money Market account. You're also entitled to three fee free withdrawals or transfers per calendar month, after which a \$5 per debit item fee will be assessed per occurrence. The result? A premium interest rate and the liquidity you need.

VACATION AND CHRISTMAS CLUB***

When it comes to setting aside money for a rainy day, we take out the work. These convenient accounts let you save gradually and earn dividends with no minimum balance requirement and no fees. You can also withdraw the funds at your convenience at any time. So whether it's Christmas presents, quarterly tax submissions, vacations, graduation parties or private school tuition, earmark your savings the easy way.

YOUTH | ROCK STAR SAVERS

Get your kids in tune with their money and make saving a fun and educational experience. Rock Star Savers is a program especially designed to teach kids that saving money — even a little at a time — can totally rock. Anyone 11 years and younger automatically becomes a Rock Star Saver when they open a regular share account, with a \$5 minimum deposit. What's more, your first \$5 deposit is matched for an extra \$5 reward. All you need? Your child's Social Security number, Birth Certificate and a parent, guardian or adult relative with proper identification to be named on the account(s).

YOUTH | NEXTGEN

It can be tough for teens to pay for the stuff they need now, let alone save money for what's next. We make it easy. The Nextgen savings program is developed specifically for teens (ages 12-17) and gives Nextgen members tons of options to manage their money. With a parent or guardian joint owner, minors may open a checking account with a debit or credit card. And when you make your first deposit — we'll spot you a \$5 bonus.

OTHER SAVINGS ACCOUNTS

Not finding what you're looking for on this list? We have other savings vehicles including the following: Money Markets, IRAs, CDs, and more! Visit our [website](#) to learn more.

* To open a Regular Membership Savings Account, a one-time \$2 fee is required, as well as a minimum \$5 deposit into the new Regular Membership Savings Account. **Members are permitted to make six remote (online, preauthorized, telephone transfer, auto transfer) withdrawals per month with a High Yield Savings Account. *** There is a maximum of six monthly remote transfers allowed for Vacation and Christmas Club Accounts.

Whether you want to purchase your first home, move to a larger home, or refinance your current mortgage to take advantage of our low rates, we can help. You can also get qualified for a mortgage amount before you find your dream home. This pre-approved mortgage means you can shop for your new property with confidence and financial leverage.

NEW MORTGAGE

Mortgages can be complex, even if you have gotten one before. Zeal is here to help with an easy to understand breakdown of the mortgage process.

FIRST TIME HOMEOWNER

Buying a home is a daunting task, but the experienced mortgage representatives at Zeal Credit Union are here to help you through the process. Committing all or most of your life savings and signing up for a mortgage might be the largest and longest financial obligation you'll ever have, and that can be intimidating. However, if you know what to look for and what to avoid, you can bring a new level of confidence to a process that seems overwhelming.

MORTGAGE REFINANCE

When you're a homeowner your mortgage payment is your major monthly expense. Lowering your payment, even a little, can really add up.

SHORTER TERM MORTGAGE

When most people think mortgages, they think 30-year, fixed rate mortgages. But for those interested in paying off their mortgage sooner, 10 and 15-year options might be a better way to go.

HOME EQUITY MORTGAGE

Your home's equity is the difference between your home's value and what you still owe on your mortgages. The money that lives in between these two can be used to accomplish many things.
